

Sarinna Lakes Residents,

We have some exciting news to share with you this season! Below are some key updates.

1. Security Camera Installation.

A new security camera has been installed overlooking the bridge to monitor individuals entering our community from the walking path. This addition is intended to help deter unwanted activity and enhance overall neighborhood safety.

As a reminder, we also have security cameras at the front entrance, including a license plate reader system.

If you experience any issues or concerns, please contact the Board. We can review the footage and provide it to the appropriate authorities if needed.

2. Front Marquee Refresh

We are delighted to announce the completion of the front marquee! Fresh palm trees and beautiful flowers now grace the entrance, offering a vibrant welcome to all.

3. Power Washing

A full power wash of the entire development has been completed, leaving cemented areas looking fresh, clean, and renewed.

A special 'shout out' and thank you to Charles Steele (camera), Jimbo Carle (Front Marquee), and Patti Richey from Intercoastal (Power Washing). We appreciate your engagement on completing these projects for our community.

We would also like to welcome Patti Richey from Intercoastal. Please only use this number 386-441-0320 if you need to get in touch with her.

Next HOA meeting date: April 18th, 2026 (at the NSB Library, time 10:00 am)

Follow up:

The 'Knock & Run' childish behavior over this past month. This behavior is occurring

between 9:00 PM & 11:00 PM. So far, no reported damage or injuries to our residents and approximately 9+ - victims. The NSB police dept has been contacted and have conducted random "Special Attention" patrols.

In addition, "lock it or lose it." Don't leave your keys or valuables in your vehicle(s).

If you have any questions or concerns, don't hesitate to contact the HOA board or Intercoastal.

Warm regards,
Your HOA Board
